4. [REDACTED] JGO) Met with Mr. W. H. Boone, House Science and Astronautics Committee staff, who told me the Chairman has requested a conference and possible executive session with the Subcommittee for briefing on the NASA interface with the intelligence community. Chairman Downing is interested in determining what utilization, if any, is made by NASA of information received from the intelligence community and what part it plays in the overall NASA mission. Following this meeting or 25X1A briefing, Chairman Downing intends an open meeting of the Subcommittee with Dr. Robert Seamans, Secretary of the Air Force, and possibly [REDACTED] [REDACTED] OSD DDR&E, on Defense space activities.
